

GAZEBO CARE INSTRUCTIONS

Thank you for choosing a Woodline Branding Solutions gazebo! To ensure the longevity and optimal performance of your gazebo, please follow these care and maintenance guidelines.

SETUP & USAGE

- Always assemble your gazebo on a flat, stable surface.
- Secure the frame properly using the provided pegs, ropes, or optional weights.
- Avoid setting up your gazebo in extreme weather conditions such as strong winds, heavy rain, or storms, as this may cause damage.
- Ensure all locking mechanisms are engaged before use.

CLEANING & MAINTENANCE

Fabric Canopy & Sidewalls:

- Clean with mild soap and lukewarm water using a soft sponge or cloth.
- Do not use harsh chemicals, bleach, or abrasive cleaners.
- Allow the fabric to air dry completely before storing to prevent mould and mildew.
- For stubborn stains, spot clean with a gentle fabric cleaner.

Frame & Hardware:

- Wipe down the aluminium frame with a damp cloth and mild detergent.
- Dry thoroughly to prevent corrosion.
- Regularly check for loose screws, bolts, or any signs of wear and tighten or replace them as needed.

STORAGE & HANDLING

- Ensure the gazebo is completely dry before storing to prevent mould or mildew.
- Store in a cool, dry place away from direct sunlight and moisture.
- Use the provided storage bag to protect the canopy and frame from dust and debris.
- When transporting, handle with care to avoid dents or scratches on the frame.

WEATHER & SAFETY PRECAUTIONS

- While our gazebos are durable, prolonged exposure to harsh weather can shorten their lifespan.
- Always take down your gazebo during heavy rain, strong winds, or storms to avoid damage.
- If using the gazebo for extended periods, periodically check for wear and tear and reinforce securing points as needed.

WARRANTY & SUPPORT

Our gazebos are built to last, but in the event of a manufacturing defect, please refer to our warranty policy. For replacement parts or additional support, contact our customer service team.

Thank you for choosing Woodline Branding Solutions! With proper care, your gazebo will provide years of reliable use.
